

✦ RUN 2 THE RESCUE

Brand Playbook

Voice, typography, color, and motion for
a nonprofit rescuing dogs from the East Asia meat trade.

RUN. RESCUE. REPEAT.

501(c)(3) Nonprofit · EIN 99-4240461 · Edition 2026

✦ FOREWORD

How to use this playbook.

Every color, type choice, and voice rule here is already in use at **run2-rescuedemo.vercel.app**

Open the live site in another tab while you read.

Two rules never break:

- 1. The protected lexicon (§ 03)**
- 2. No graphic cruelty outside the Reality page (§ 07)**

Everything else is guidance. Ship the better thing.

✦ 01 WHO WE ARE

Dogs from the meat trade.

We pull them. We get them well. We send them home.

FOUNDED	REGIONS	FLIGHT HUBS	STATUS
2012	China · South Korea	JFK · LAX	501(c)(3)
Brandy Cherven (CEO) and Bonnie Klapper (COO)	On-the-ground rescuer partners	Where survivors land in the U.S.	EIN 99-4240461 · Tax deductible

✦ 02 VOICE AND TONE

Four voices, blended.

Hopeful

We lead with what's possible, not what's painful.

Dignified

We treat both the dogs and the reader as worthy.

Urgent

Real timelines, real stakes. Never alarmist.

Never exploitative

We never use trauma porn or guilt to drive action.

✦ 02 READER POSTURE

Every CTA is a door, not an ask.

The visitor is a co-rescuer, not a savior. Phrasing reflects it.

✦ ONE MORE THING

A playbook is a starting line.

If a sentence is better because it breaks a rule here, write the sentence. Ship the better thing.

RUN. RESCUE. REPEAT.
